About Bob

Meet Bob T. Kawabe, CFP®, ChFC®, CLU®, CEPA® - a visionary leader, passionate coach, and purpose-driven mentor.

As Founder of Kawabe Advisory Group, Bob has spent over three decades empowering self-made, family-oriented business owners, entrepreneurs and high-net worth families achieve true freedom and live life on their terms.

Rooted in personal experience, his mission is clear: to inspire hope, unlock possibility and guide others toward meaningful purpose and lifelong fulfillment.

Bob is also the Founder of Life Beyond Success, an organization dedicated to helping successful business owners and entrepreneurs move on to the Ultimate Phase of life to live their true purpose... going beyond all the successes they had and answering the call of “What’s Next?!”

Bob’s vision with this greater purpose is together, we can make an even greater impact on the life of others and of our society.

Whether helping clients shift their mindset, mentoring youth or coaching sports, Bob brings authenticity, heart and a belief that anything in life is possible with clear vision and action.

Based in Hawaii and Florida, Bob cherishes family, and enjoys helping others to have the freedom to live an **Amazing Life of Significance**.

Event Outcomes & Impact:

A fresh definition of success aligned with values, not just outcomes:

Bob helps participants reframe success beyond titles, income, or accolades. Instead, they walk away with a personal roadmap that reflects who they are, what matters most, and how to align their daily actions with deeper meaning and long-term fulfillment.

Actionable strategies to lead with compassion and emotional clarity:

Through real-world examples and proven practices, Bob equips leaders with the tools to communicate with empathy, make values-based decisions, and create environments where people feel seen, heard, and supported—without sacrificing accountability or performance.

Tools for navigating career transitions or reinvention:

Whether facing burnout, a professional pivot, or a desire to start something new, attendees gain clarity and practical steps for moving forward with confidence. Bob shares frameworks for embracing change, identifying purpose, and finding momentum in uncertainty.

Renewed motivation to pursue a life of significance, not just achievement:

Attendees often describe Bob’s keynotes as a “wake-up call” to realign with what truly matters. They leave energized to build a life marked by contribution, inner peace, and legacy—rather than just external accomplishment.

What Makes Bob Unique

- **Over 40 Years of Expertise:** Bob has been inspiring and impacting on the life of others, from his family, clients, associates, and the youths for decades with their life skills and personal development.
